Did Republicans cheat in Democratic leaning counties? Did Republican voter registration increase in Blue counties in PA? No except in one Luzerne

http://www.electionreturns.pa.gov/ENR_NEW
seems honest as security in place <http://www.dos.pa.gov/Documents/10%2020%2016%20-%20FINAL%20Election%20Press%20Conference%20-%20Cortes%20Remarks.pdf>

Rural counties voted heavily for Trump, but there are some issues. No big Republican registration numbers. Could there have been blue tooth technology sited here to pad the vote totals in previously blue counties? <http://www.pbs.org/newshour/updates/heres-how-hackers-could-mess-with-electronic-voting/>

Bucks county margin of 2,000 votes for Hillary vs Trump vs 3,500 for Obama vs. Romney Big difference is less votes for 3rd party candidates?

Bucks County: Clinton 165,861, Trump 163,873, Johnson: 8,500, Stein: 3,138, vs. Obama: 159,598, Romney: 155,876, Johnson: 2,866, Stein: 1,067
